

Exchange Student Course Request Form (p. 1)

Name: _____ Baruch Empl ID: _____
Surname/Family Name Given Name/First Name (Study Abroad Office use only)

Please use this sheet to submit your list of **courses** and **preferred classes**. Click [here](#) to access the *Schedule of Classes*. Each **class** of a given **course** has a unique five-digit code listed under the heading "class." List your course requests **in order of preference**. Please list 12 (twelve) **courses** and multiple **classes** of each course if possible, since **we cannot guarantee that you will be approved for every course you request, or that a seat in your preferred class will still be available on your registration date**. Please note: if you list fewer than 12 courses on this form, you will NOT be allowed to request additional courses for consideration without the explicit permission of the Director of Study Abroad at Baruch College.

We strongly advise you to read, or re-read the information on our [website](#) before completing this form. Late or inaccurate entries will delay the course approval process and may jeopardize your ability to get into courses you want to take.
